"Serving America's Finest Gardens For Over 30 Years"

IN THIS FORCING EDITION OF *"Beauty from Bulbs"*

we have compiled a limited list of items that have proven themselves of exceptional merit for forcing in the greenhouse as well as for outside planting in frost-proof sections of the country.

Through a special method of preparing the bulbs and roots, flowers may be had late in the fall, throughout the winter and in early spring.

Make up a list of your requirements, stating when you desire blooms, and we will ship material at proper time for planting.

EXPLANATION OF KEY

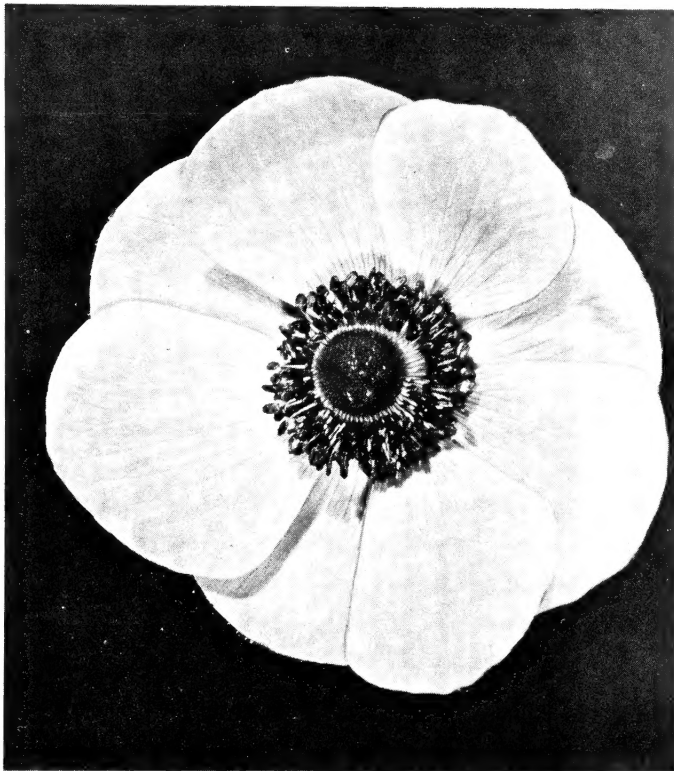

The number after the variety indicates month in which it will flower.

The letters A, B & C indicate in which zone such material can be grown out-of-doors. (See map.)

Naturally, all such material can be grown in zones A and B providing glass protection is given, or the material is stored over winter in frost-proof places.

Material indicated as suitable for A and B alone, cannot be grown successfully in C.

EXAMPLE: No. 1 indicates that plant will flower during January. No. 1-12 indicates plant can be gotten into flower at any time during the year.

Anemones—See page 4

ACHIMENES 5-8 C

January-April Delivery

These charming tuberous plants are very attractive. Closely related to the Gloxinea they are ideal for pot or hanging basket culture and they may be grown in the greenhouse or conservatory, they are also ideally suited for outdoor decoration during the summer months. Start the tubers in February. An abundance of flowers are produced on strong stems about one foot tall and range in color from pure white to deep maroon, many of the larger sorts have flowers from 2 to 3 inches across. Stems and leaves are covered with a hairy substance.

Dainty Queen. Large, pure white flower with pink eye. \$5.25 for 10; \$50.00 per 100.

Galatea Improved. Large, deep lavender flowers. \$2.75 for 10; \$25.00 per 100.

Orchidea. A beautiful Cattleya-pink. \$2.75 for 10; \$25.00 per 100.

Pink Beauty. A very pretty light rosy pink. \$5.25 for 10; \$50.00 per 100.

Purity. Of purest white self. \$5.25 for 10; \$50.00 per 100.

Purple King. Rich purple with large flowers. \$5.25 for 10; \$50.00 per 100.

Superior Mixture. Containing all colors. \$2.75 for 10; \$25.00 per 100.

AGAPANTHUS 7-8 C

(Blue Lily of the Nile)

December Delivery

UMBELLATUS. A very lovely summer and early fall flowering plant, bearing a number of beautiful light blue flowers in umbel form on a tall stem. Very desirable for use in outdoor decoration because of their long flowering period. Where no conservatory is available for their winter storage, they can be kept in lighted frostproof buildings. Best effect is obtainable by growing them in tubs.

Extra strong plants, \$1.00 each; \$9.00 for 10.

Extra strong multiple plants, \$1.25 each; \$11.00 for 10.

ALLIUM NEAPOLITANUM GRANDIFLORUM

1-3 C

September Delivery

Umbels of twenty to thirty dainty white flowers with green stamens held on a tall stiff stem.

Extra selected bulbs, \$1.75 for 10; \$15.00 per 100.

ALSTROEMERIA 3-5 B & C

November to March Delivery

Another native of South America, belonging to the amaryllis family and characterized by masses of thick or tuberous roots attached to a crown from which arise leafy stems bearing clusters of interesting and colorful flowers. They are absolutely hardy from the Carolinas southward. They are also well adapted for conservatory culture in the North. They are best planted in partial shade in a sandy loam to which plenty of humus is added. Good drainage is absolutely essential. As the fleshy roots are easily damaged in digging, they are best left undisturbed as long as possible. After flowering, water should be gradually withdrawn to permit the proper ripening of the plant.

Chilensis. A dainty Chilean species supplied in mixture of pleasing shades from very light pink to orange. One inch across in a large umbel on stems two to four feet tall. An excellent cut flower. Extra selected stock. \$2.25 for 10; \$20.00 per 100.

Pelegrina. Also called the "Lily of the Incas." Flowers are of a dark rose with the inner petals heavily spotted with reddish purple. They are carried in a large umbel on fourteen to eighteen inch stems. Very vigorous and showy and very useful as a cut flower. Extra selected stock. \$2.25 for 10; \$20.00 per 100.

Pelegrina alba. The white form of the above. A very beautiful flower with unspotted, pure white flowers. Extra selected stock. \$2.25 for 10; \$20.00 per 100.

Pulchella. A variety from Brazil. Large clusters of dark red flowers tipped green with brown spots inside. Stems two to six feet tall. Extra selected stock. \$2.25 for 10; \$20.00 per 100.

Alstroemeria, Pelegrina Alba

Agapanthus Umbellatus—See page 3

AMARYLLIS 2-5 B & C

Exhibition Collection—Oct.-Nov. Delivery

HIPPEASTRUM—Scheepers' Special Strain. This is undoubtedly the finest strain of Amaryllis hybrids available anywhere. Consisting of fine, named varieties selected as to their large wide open flowers and purest self colors.

This collection has won highest honors at recent American and European spring exhibitions.

Orange Perfection. Very large flower, orange-red. Leopoldi type. Extra selected, strong flowering bulbs. *Each, \$10.00.*

Pink Beauty. Large clear pink flowers. Leopoldi type. Extra selected, strong flowering bulbs. *Each, \$10.00*

Red Emperor. Very large clear red flowers. Leopoldi type. Extra selected, strong flowering bulbs. *Each, \$10.00.*

Salmon Beauty. Of a beautiful salmon self color. Leopoldi type. Extra selected, strong flowering bulbs. *Each, \$10.00.*

White Beauty. Large flowers of purest white self color. Leopoldi type. Extra selected, strong flowering bulbs. *Each, \$25.00.*

Special Selection. Unnamed varieties, all largest flowers in purest white, pink, salmon, orange, scarlet, and wine red. All Leopoldi type.

Extra selected, strong-flowering bulbs. *Each, \$5.00.*

General Collection. consisting of propagations of numbered varieties, in salmon, red, orange and scarlet. We can supply bulbs of each numbered variety, which have not been named as they are similar to existing sorts. Extra selected, strong-flowering bulbs. *Each \$3.50; \$32.50 for 10.*

OTHER AMARYLLIS

September-December Delivery

BELLADONNA. (Belladonna Lily.) Sweetly fragrant flower trumpets of silvery white turning to soft rose as the flower ages. Exhibition size bulbs, 3 inches in diameter up. *Each, \$.75; \$7.00 for 10.* Smaller good flowering bulbs, 2-3 inch in diameter. *Each, \$.50; \$4.75 for 10.*

AMAR-CRINUM 4-9 B & C

February Delivery

HOWARDI. A true hybrid resulting from crossing Crinum Moorei and Amaryllis Belladonna. Soft pink flowers on stems three feet tall are freely produced during the summer months. They require the same culture as amaryllis or crinums. Scarce. *Each, \$3.00 for strong, selected bulbs. Specimen bulbs for tub planting, \$5.00 each.*

ANENOME 1-4 B & C

September Delivery

The flowers resemble poppies, are beautiful and come in a great variety of dazzling shadings. They can be grown outdoors anywhere in the South and make a wonderful carpet or border. Soak the bulbs over-night before planting. Plant one inch deep and six inches apart.

Blue Poppy. Attractive Poppy type flowers of a beautiful bright blue. All selected Jumbo size bulbs. *\$14.00 per 100.*

His Excellency. Large single flowers of most vivid vermilion with silvery white base and handsome black center. All selected Jumbo size bulbs. *\$14.00 per 100.*

Monarch de Caen. A magnificent robust growing strain of Poppy Anemones. The immense saucer-shaped flowers are of the most brilliant and varied colors from pink to beautiful shades of blue and brilliant scarlet. The blooms are held on long stiff stems. All selected Jumbo size bulbs. *\$12.00 per 100.*

Pure White. Large, single blooms of pure white. Stamens and boss white with green cast. All selected Jumbo size bulbs. *\$14.00*

St. Brigid "Creagh Castle." Large, semi-double flowers of most brilliant hues and delicate shades. All selected Jumbo size bulbs. *\$14.00 per 100.*

Scheepers' Superior Strain. This strain is the result of most painstaking selecting and reselecting. Single and semi-double flowers of all colors. All selected Jumbo size bulbs. *\$15.00 per 100.*

TUBEROUS-ROOTED BEGONIAS 2-12 A, B & C

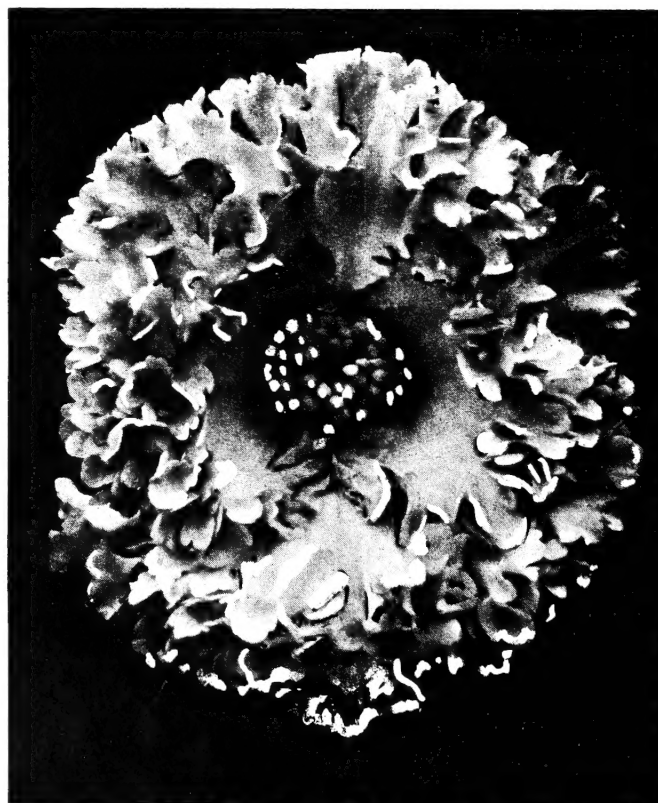

December to October Delivery

We are offering a selection of various types, each type in colors to suit various tastes. We can supply tubers early enough to permit their flowering from February on. Quotations are for Jumbo sizes.

Orders for bulbs for September to December flowering must be received by April 15th.

CULTURAL DIRECTIONS

Outdoor Planting: Do not plant in a sunny location. Any well-drained soil with ample humus and fertility is suitable. Plant tubers one and one-half inches deep. Duplex or single types preferable for this purpose as blooms are lighter and face upward.

Begonia, Crispa Type

Indoor Planting: Do not use pots smaller than six inches in diameter. A compost of one part rotted cow manure to two parts loam and one part leaf mold will give good results. Water sparingly until growth is started. At flowering period, applications of weak liquid manure are beneficial.

HANGING BASKETS

For flowering during late spring and summer. In sections where heavy frost is encountered, tubers must be carried over winter indoors.

COLLECTION OF UNNAMED VARIETIES. Selected as to color in the following shades: rose, white, yellow, orange. \$6.50 for 10; \$62.50 per 100. (We can deliver these early enough to permit flowering from February on.)

SELECTED AS TO TYPES

DOUBLE CAMELLIA FLOWERED. A strain of camellia-flowered doubles developed through years of hybridization. A strain that cannot be equaled anywhere at any price. The colors are true and uniform with large flowers of the camellia type. Available in the following colors: dark red, pink, orange, salmon, yellow, white. Extra heavy tubers, \$6.50 for 10; \$62.50 per 100.

CRISPA. A type producing large, profusely frilled and ruffled single flowers. This type is better adapted for bedding purposes than the ordinary single Begonias. Available in colors as above mentioned. Extra heavy tubers, \$6.50 for 10; \$62.50 per 100.

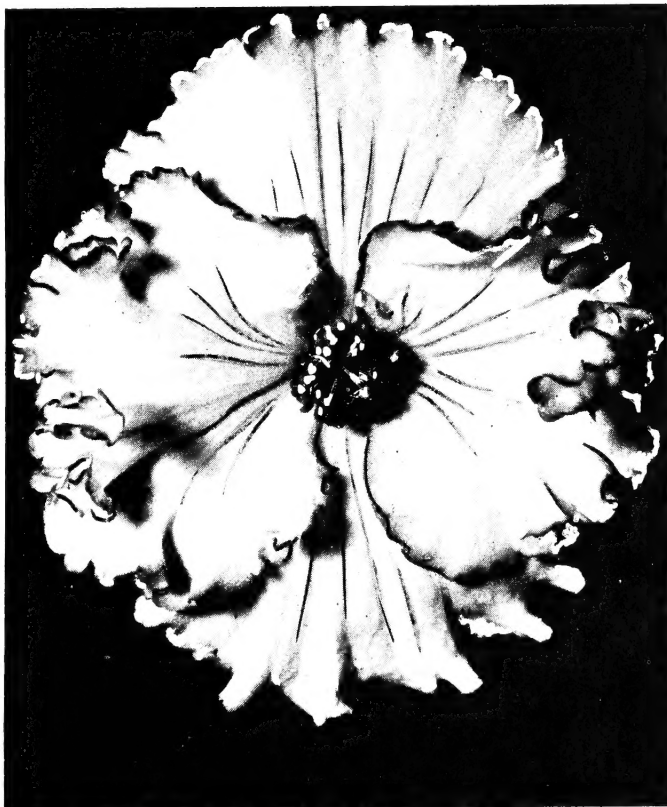

CRISTATA. A type of single Begonia, slightly frilled, a coxcomb-like tuft or crest is borne on each petal. A very attractive and novel form. Available in colors as above mentioned. Extra heavy tubers, \$6.50 for 10; \$62.50 per 100.

SINGLES. This type produces the largest flowers, specimens frequently measure ten inches across. Available in colors as above mentioned. Extra heavy tubers, \$6.50 for 10; \$62.50 per 100.

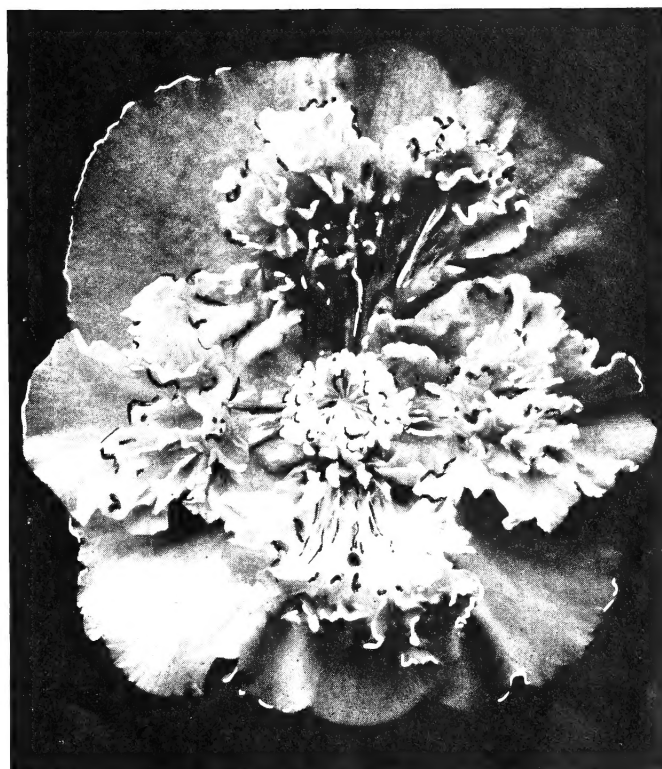

CARNATION FLOWERED. This type is rapidly gaining in popularity. The petals are frilled with serrated edges, the entire flower closely resembling a carnation. Available in colors as above mentioned. Extra heavy tubers, \$6.50 for 10; \$62.50 per 100.

MARGINATA. A crista type flower with a picotee edge. Available only in a mixture of the following colors: white with pink, red and copper edge, copper with red edge. Extra heavy tubers, \$6.50 for 10; \$62.50 per 100.

Since the above varieties and types of tuberous-rooted Begonias are so far superior, we do not offer the ordinary types.

Begonia, Crispa Marginata Type

Begonia, Cristata Type

NAMED VARIETIES

FLAME. Large camellia type, double. Petals are compact and smooth. Brilliant orange-scarlet with a beautiful sheen or luster. Free flowering. Heavy tubers, each, \$1.00; \$9.00 for 10; \$75.00 per 100.

RED TRIUMPH. A ruffled camellia type, double, of a ruby-red with velvety texture. The flower has a definite center and is one of the largest of the double Begonias. Extra heavy tubers, each, \$1.00; \$9.00 for 10; \$75.00 per 100.

ROSE DAWN. A perfect camellia type, double. The petals are very long and even, of a rich, clear rose with a very symmetrical form. Extra heavy tubers, each, \$1.00; \$9.00 for 10; \$75.00 per 100.

AUTUMN GLOW. An extremely large cristata type, the crest being a deep copper, contrasting with the rest of the flower which is apricot. Blossoms often ten inches across. The foliage is very attractive and much more luxuriant than any other tuberous-rooted Begonia. Extra heavy tubers, each, \$1.00; \$9.00 for 10; \$75.00 per 100.

SUNSET. A large crista type. Very heavily and symmetrically frilled. The outer edge is of dark orange with apricot center. Extra heavy tubers, each, \$1.00; \$9.00 for 10; \$75.00 per 100.

(Make your reservations early to assure delivery of selected Begonias.)

BRODIAEA 10-4 B & C

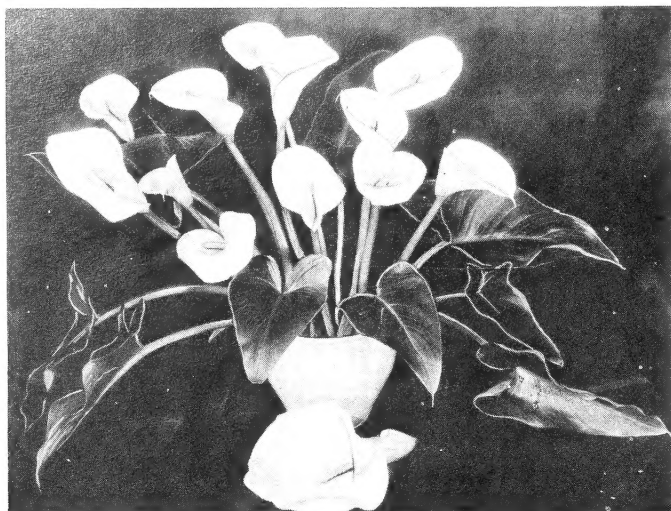

August Delivery

A native of the Pacific coast, producing one or two long, slender leaves close to the ground and slender, stiff stems bearing a head of attractive flowers of great lasting quality. Require same treatment as freesias. The following varieties are nursery-grown, and are far superior to the wild collected bulbs.

CALIFORNICA. A fine species and one of the largest. Stems are 1½ to 2½ feet tall, bearing loose heads of from ten to twenty graceful flowers of a beautiful rose-purple. Each spreading funnel-shaped bloom is 1½ inches long and same in width. Most attractive. \$1.25 for 10; \$10.00 per 100.

CAPITATA. Commonly known as the "California Hyacinth." Slender stems twelve to eighteen inches high with a close cluster of violet-blue flowers. Can be had in flower in October, six weeks after planting. It continues to send up flowering spikes over a period of five months, many times twenty spikes to one bulb. \$1.25 for 10; \$10.00 per 100.

CORONARIA. Aptly called Harvest Brodiaea in California, as it is the last to flower. Pretty, light violet-blue flowers are borne on a rather loose head, six to fifteen blooms being held on a stiff, slender stem about eighteen inches tall. Blooms are about one inch long and the same width. Extra-fine. \$1.25 for 10; \$10.00 per 100.

Baby Calla compared with Aethiopica

BRODIAEA—Continued

IXIOIDES. "Golden Star." A late bloomer producing a large umbel of bright yellow flowers with darker line on outside of petals. Strong stem twelve inches tall. \$1.25 for 10; \$10.00 per 100.

LAXA. "Ithuriel's Spear." Large clusters of bluish violet flowers on a two-foot stem. The flowers, resembling an agapanthus, appear in February. Very interesting. \$1.25 for 10; \$10.00 per 100.

CALADIUM 12-8 C

December to March Delivery

FANCY-LEAVED CALADIUM. Beautiful variegated-leaved plants, nicely adapted for pot culture. We have selected, from a special exhibition collection, twelve varieties as being the most outstanding. One bulb each of twelve varieties, \$10.00. Five bulbs each of twelve varieties, \$50.00. Start bulbs in moist sand, in heat, and pot as soon as root growth commences.

Above prices are for Jumbo Size bulbs. Smaller good flowering bulbs. \$4.75 for 10; \$45.00 per 100.

Special circular showing many varieties in natural color and full descriptions, sent upon request.

CALLA 12-4 C

Fall and Spring Delivery

AETHIOPICA. White Calla, large flowered. Heaviest selected roots, \$19.50 for 25; \$38.00 for 50; \$75.00 per 100. Smaller roots, \$60.00 per 100.

BABY WHITE CALLA. This dainty, pure white Calla is a perfect miniature of the larger Aethiopica; twelve to eighteen inches tall, prolific bloomer. \$3.75 for 10; \$35.00 per 100.

ELLIOTTIANA. The golden yellow Calla. Extra large tubers, \$18.00 for 25; \$34.00 for 50; \$68.00 per 100. Special stock for exhibition, \$75.00 per 100.

GODFREY (Devoniensis). The small white Calla. Very free-flowering. Heaviest selected roots, \$16.00 for 25; \$30.00 for 50; \$58.00 per 100. Smaller roots, \$50.00 per 100.

REHMANNI. The pink Calla. A dwarf Calla, flowers open originally a rose-pink, but fade with age to a cerise. Very interesting. \$9.00 for 10; \$85.00 per 100.

A limited number of Jumbo Specimen bulbs available. \$9.50 for 10; \$90.00 per 100.

CLIVIA (Imantophyllum) 2-4 C

Can be Delivered at Any Time

MINIATA HYBRIDS. Scheepers' Gold Medal Strain. Our strain is the finest available. It has won numerous prizes at the various American and European spring shows. Very fine for pot work. From seven-inch pots, strong flowering plants, each, \$10.00. Plants with five or more strong leads, each, \$25.00.

CRINUM 5-9 B & C

November to March Delivery

Handsome bulbous plants belonging to the amaryllis family. They have large umbels of funnel-shaped flowers. Crinums are hardy throughout the South if planted in a light, well-drained, sandy loam or on a warm south border, the shoulder of the bulb being six inches below the surface. A covering of light litter should be given during winter. While in growth, they require plenty of water. **AMABILE.** Immense, dark green leaves. Stems purple; many glossy pink flowers, very fragrant. Each, \$5.00.

AMERICANUM. Beautiful plant producing umbels of large, lily-like white flowers. Each, \$3.50.

ASIATICUM. Large species forming a magnificent rosette of dark green leaves with clusters of fragrant white flowers. Each, \$5.00.

CAMPANULATUM. Vigorous plant with wavy-margined, strap-shaped leaves. Spikes of lovely, bell-shaped flowers, white with pink stripes. Each, \$5.00.

C. E. Houdyshel. A hybrid, the nearest to a red flower in a Crinum. Each \$4.00.

J. C. Harvey. A hybrid. Flowers are a rosy pink, large, with drooping habit. Very fragrant. Blooms a number of times annually. Each \$3.50.

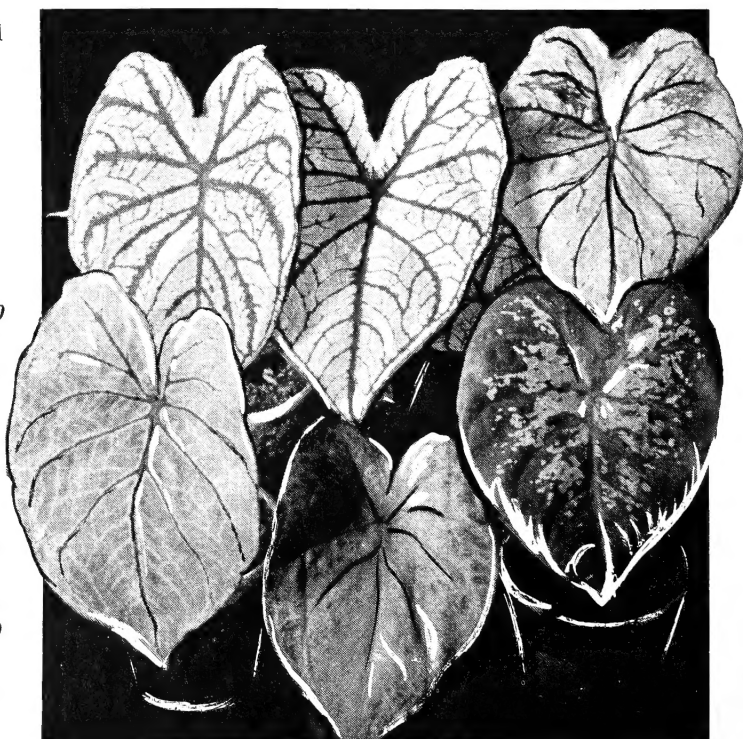

KIRKI. Large, white flowers with a reddish purple stripe through center of each petal. Very beautiful and exotic. Each, \$3.00.

MOOREI. A beautiful species which should be grown in semi-shade for best results. Flowers are of beautiful form and of a clear pink. Each, \$5.00.

POWELLI ALBUM. Flower white, tinged green. The bulb grows nearly on top of ground on large rootstock. Each, \$3.50.

POWELLI ROSEUM. A very beautiful hybrid with pink, lily-like flowers. Each, \$3.00.

Specimen bulbs weighing several pounds each can also be supplied. Write for special quotation on varieties selected.

Fancy-Leaved Caladium

Freesias

CYPRIPEDIUM REGINAE 3-7 A, B & C

Also known as *C. spectabile* and *C. hirsuthum*. (The Queen Lady-slipper or the Showy Ladyslipper.) The finest and most showy of all Ladyslippers. Two feet tall, bearing several large, round leaves with one or two large white to rose-colored flowers. Through a system of cold storage, these native orchids can now be forced into flower as easily as Lily-of-the-Valley. Available from January to May. Extra heavy clumps having from five to ten buds, \$11.00 per case of 5 clumps; \$20.00 per case of 10 clumps.

DICENTRA 2-8 A, B & C

(Bleeding Heart)

November to May Delivery

SPECTABILIS. Through a system of retarding, we can supply extra-strong clumps, suitable for pot or outdoor culture, to flower any time between February and July.

Extra strong forcing clumps, packed in cases of ten heaviest clumps, \$12.50 per case. Available from January to June.

EUPHARIS 11-6 C

(The Amazon Lily)

Spring or Fall Delivery

AMAZONICA. A fine subject for conservatory or lathhouse. Requires to be well established for the production of fine flowers. Bears two or three narcissus-like flowers. Each, \$1.50; \$12.50 for 10

FREESIA 1-4 C

Fall Delivery

The size indicated, such as No. 1, refers to the largest size available, varying according to variety. No. 2 is for a slightly smaller size. All sizes produce fine flowers. Our Freesias are grown in sterilized soil, and are produced from young bulbs. They are not permitted to remain for two years in the same soil.

NEWER VARIETIES

Greenhouse Grown Bulbs

APPLEBLOSSOM. (U.S. Plant Patent #486) Delicate pink, large flowers with strong stems. Extra fine. No. 1, \$18.00 per 100. No. 2 \$15.00 per 100.

BRONZE GIANT. The striking combination of copper and bronze in this Freesia cannot be duplicated. No. 1, \$18.00 per 100. No. 2, \$15.00 per 100.

GIANT CREAM. Giant flowers of cream yellow with a distinct orange throat. Very fragrant, a tall and vigorous grower. No. 1, \$18.00 per 100. No. 2, \$15.00 per 100.

GIANT LAVENDER. Extra large flowers of clear lavender, strong stems. A fine flower. No. 1, \$18.00 per 100. No. 2, \$15.00 per 100.

KING OF THE YELLOWS. (U.S. Plant Patent #488) The very finest yellow Freesia in existence. Extra large flowers and real strong stems. No. 1, \$18.00 per 100. No. 2, \$15.00 per 100.

MARYON. (U.S. Plant Patent #32) An exceptionally fine true blue variety. The finest to date. No. 1, \$18.00 per 100. No. 2, \$15.00 per 100.

SNOWSTORM. (U.S. Plant Patent #487) As the name denotes, a pure white with an accent of blue which seems to add much to the whiteness of the flower. Best white of all *Freesias*. No. 1, \$18.00 per 100. No. 2, \$15.00 per 100.

(The above varieties have repeatedly won highest honors at all Flower Shows, they are the best without exception).

STANDARD VARIETIES

California Grown Bulbs

APOTHEOSE. Giant lavender-pink of fine substance. Excellent, strong stems, lasting flowers. No. 1, \$10.00 per 100. No. 2, \$8.00 per 100.

BLANCHE BLUE. Large flowers of deep lavender. No. 1, \$12.00 per 100. No. 2, \$10.00 per 100.

ELDER'S DOUBLE WHITE. Pure white, numerous extra petals filling the trumpet like flower, creating a fully double bloom. No. 1, \$12.00 per 100. No. 2, \$10.00 per 100.

ELDER'S GIANT WHITE. Large white, strong and vigorous grower. Flowers later than "Purity Superflora". No. 1, \$12.00 per 100. No. 2, \$10.00 per 100.

ELDER'S GOLDEN GIANT. Bright golden yellow. Later than "Golden Daffodil". No. 1, \$15.00 per 100. No. 2, \$12.00 per 100.

ELDER'S RED. Deep rosy red changing to bronze-red with age. No. 1, \$12.00 per 100. No. 2, \$10.00 per 100.

FLO. Many times be described as "clear blue" but it would be more accurate to describe it as clear lavender-violet. No. 1, \$12.00 per 100. No. 2, \$10.00 per 100.

GOLDEN DAFFODIL. Extra fine yellow. No. 1, \$10.00 per 100. No. 2, \$8.00 per 100.

MARIE. (U.S. Plant Patent #609) Large white, good strong stems. No. 1, \$18.00 per 100. No. 2, \$15.00 per 100.

PURITY SUPERFLORA. A selected strain of the well known "Purity". As the name implies, of purest white. No. 1, \$10.00 per 100. No. 2, \$8.00 per 100.

SUNSET. Golden, orange-yellow a beautiful blending of colors. No. 1, \$10.00 per 100. No. 2, \$8.00 per 100.

TALISMAN. (U.S. Plant Patent #555) Orange-pink with cream throat. Very fine. No. 1, \$18.00 per 100. No. 2, \$15.00 per 100.

TECOLATE GIANT HYBRIDS. A new improved strain from California. Extra large flowers and most exquisite to colorings. Can be supplied in the following colors: Pure White, Light Yellow, Bright Red, Lavender, Rose, Pink, Blue and Purple. Or in finest Mixture. No. 1, \$9.00 per 100.

GLADIOLUS 1-12 A. B & C

Fall or Spring Delivery

LARGE-FLOWERED VARIETIES

For September or early October blooming we refer you to our spring, 1948 edition of "Beauty from Bulbs." This entire list is highly recommended and bulbs can be supplied up to July 15th. Reservations for this stock should be placed as early as possible.

For late December, January, and February blooming under glass or outside in far southern sections. Delivery October 1st through December. Reservations for this stock must be made early.

AMERICAN COMMANDER. Clear red.

BEACON. Red cream throat.

MARGARET BEATON. White pink throat.

MOTHER KADEL. Clear yellow.

PELEGRINA. Blue Violet.

PICARDY. Salmon pink.

PINK RADIANCE. Pink deeper throat.

SNOW PRINCESS. Pure white.

Extra selected bulbs, \$15.00 per 100.

BABY GLADIOLUS

Delivery August-September

This group of Gladiolus, known as Nanus or Colvillei type, are valuable for pot culture or growing in boxes. Started in August, they bloom profusely during the winter months and early spring. Excellent for outdoor planting in southern sections.

APOLLO. Bright salmon.

FLORENCE. Exquisite rosy pink.

PEACH BLOSSOM. Most popular rose-pink.

SPITFIRE. A brilliant reddish salmon.

THE BRIDE. A lovely pure white.

TECOLOTE HYBRIDS. A mixture of colors not seen in the above. This mixture contains also some lavender shadings. Would recommend the planting of these for cutting purposes.

Extra selected bulbs, \$10.00 per 100.

FRAGRANT BABY GLADIOLUS

TRISTIS SUPREME. (Scheepers' Improved Strain.) Delightfully fragrant South African species of a very attractive cream color. Flowers are fairly large and carried on tall stems. Very fine and unusual. Hardy anywhere in the south. A most useful subject. Extra selected Greenhouse Grown Bulbs, \$19.00 per 100.

GLORIOSA 1-12 A. B & C

Fall or Spring Delivery

The "Climbing Lily" of South Africa. Excellent for trellis work or as a climber in the greenhouse. Produces numerous flower stems twelve inches in length, holding large, reflexed, lily-like flowers on leaders five to eight feet long. Fine for corsages.

ROTHSCHILDIANA. Orange and scarlet. \$1.75 each.

SUPERBUM. Yellow and scarlet. \$1.25 each.

GLOXINIA 2-8 C

January Delivery

One of our handsomest tuberous-rooted plants for the conservatory. Requires the same culture as applies to tuberous-rooted begonias, and careful watering so as not to touch the foliage. The varieties offered here have been selected by us as the best.

BRUNHILDE. Pure white with large flower with bright green, very luxuriant foliage.

EMPEROR FREDERICK. Scarlet with white band at edges of flowers. Blooms held erect and has very fine foliage.

EMPEROR WILLIAM. Deep violet with white band at edges of petals. Erect blooms with nice green foliage.

KING OF THE REDS. Large bright red flowers with fine healthy foliage.

Gladiolus Tristis Supreme

VIOLACEA. Deep purple; the contrast with bright green foliage makes this an attractive variety.

TIGRINA. The tiger spotted Gloxinea. Large flowers with a short throat. Entire blossom is veined, spotted and spotted. Mixture contains, pink, blue, purple and red.

(Selected California Grown Bulbs)

Extra selected, largest tubers 2 inch and up, \$7.75 for 10; \$75.00 per 100. Smaller size bulbs can be supplied at substantially lower prices.

HAEMANTHUS 4-6 C

Late Summer Delivery

COCCINEUS. "Blood Lily." A very showy and interesting subject. It has two bright green opposite leaves, three to five inches wide, and one to two feet long. The single bright red flower is carried in umbel shape. Commences flowering in fall, before the appearance of the leaves. Each, \$2.50.

KATHERINAE. A very fine novelty from Natal. An umbel of flowers 6 to 9 inches across; bright red and each little bloom has a stem one to two inches long. Beautiful leaves 4 to 5 inches across and 9 to 12 inches long and they are narrowed into a short spotted sheathing stalk. This is not only a very distinct novelty but a beautiful flower as well and should be much appreciated. Limited quantity available this season. Each, \$5.00.

HELLEBORUS 10-12 A. B & C

Fall Delivery

NIGER (The Christmas Rose). Very fine for forcing or outdoor planting. Hardy anywhere in the South. Strong forcing clumps. \$15.00 for 10; \$125.00 per 100.

HYACINTHS, FRENCH ROMAN 10-1 B & C

August-December Delivery

Each bulb produces from four to five flower spikes, following in succession; beautiful and fragrant, ideal for cutting. May be grown in pebbles and water same as Narcissi Paperwhite and Paperyellow.

WHITE. Extra selected jumbo bulbs, \$3.75 for 10; \$35.00 per 100. Selected bulbs, \$3.25 for 10; \$30.00 per 100.

PINK. Extra selected jumbo bulbs, \$3.25 for 10; \$30.00 per 100. Selected bulbs, \$2.75 for 10; \$25.00 per 100.

BLUE. Extra selected jumbo bulbs, \$3.25 for 10; \$30.00 per 100. Selected bulbs, \$2.75 for 10; \$25.00 per 100.

HYACINTHS, DUTCH 12-4 A & B

For our regular varieties recommended for forcing, see Exhibition Hyacinths listed in our fall edition of "Beauty from Bulbs".

PREPARED HYACINTHS. These specially prepared or treated Hyacinths are ideal for early forcing. Bulbs are ready in August and they may be forced from end of December on. Exhibition size blooms.

Roman Hyacinths

NIMROD. Fine salmon-pink.

PINK PEARL. Fine rose-pink.

L'INNOCENCE. Large pure white.

SCHOTEL. Forget-me-not blue.

Extra selected bulbs, \$4.50 for 10; \$42.50 per 100.

CYNHELLA HYACINTHS. The small miniature Hyacinths of loose formation, similar to the Romans and therefore very useful for cutting purposes. They can also be supplied in specially prepared bulbs that may be flowered for Christmas.

ARENTINE ARENSEN. Snow white.

LAURA. Violet-blue.

NIMROD. Salmon-pink.

Extra selected bulbs, \$3.00 for 10; \$27.50 per 100.

Due to world conditions we are compelled to state that our prices on imported bulbs are subject to change. Should this be necessary, proper notification will be sent out early in the season.

IRIS 1-5 A, B & C

Fall Delivery

All types listed here are suitable for either forcing or outdoor planting anywhere in the South. They are all fine.

FILIFOLIA IMPERATOR. A bulbous Iris with very large flowers of deepest blue. Jumbo bulbs, \$12.00 per 100.

RETICULATA. A very early bulbous Iris. Rich pansy violet with yellow markings and a pronounced violet fragrance. Jumbo bulbs, \$20.00 per 100.

TINGITANA, WEDGWOOD. Large flowers of clearest light blue. Jumbo bulbs, \$17.00 per 100.

WHITE EXCELSIOR. The finest pure white. Extra selected bulbs, \$15.00 per 100.

YELLOW QUEEN. Uniform golden yellow. Extra selected bulbs, \$12.00 per 100.

IRIS HOLLANDICA 1-5 A, B & C

(Dutch Iris.) May be grown successfully anywhere. These are hardy and are indispensable.

BLUE HORIZON. Sky Blue. Extra selected bulbs, \$12.00 per 100.

BRONZE QUEEN. Bright bronze, bluish bronze falls. Extra selected bulbs, \$15.00 per 100.

D. HARING. Pure white. Extra selected bulbs, \$15.00 per 100.

HUCHTENBURG. Bicolor. White and yellow. Extra selected bulbs, \$15.00 per 100.

LEONARDO DA VINCI. Standards lemon-yellow, falls deeper yellow. Extra selected bulbs, \$15.00 per 100.

Our price is based on the supply of Extra Selected Jumbo Bulbs. We can also supply a slightly smaller bulb which price may be figured at \$2.00 per 100 less than listed for these Jumbo Bulbs.

PREPARED IRIS FOR EARLY FORCING

Through a special process of precooling, bulbs may be had in flower in December and January. They can easily be flowered for Christmas.

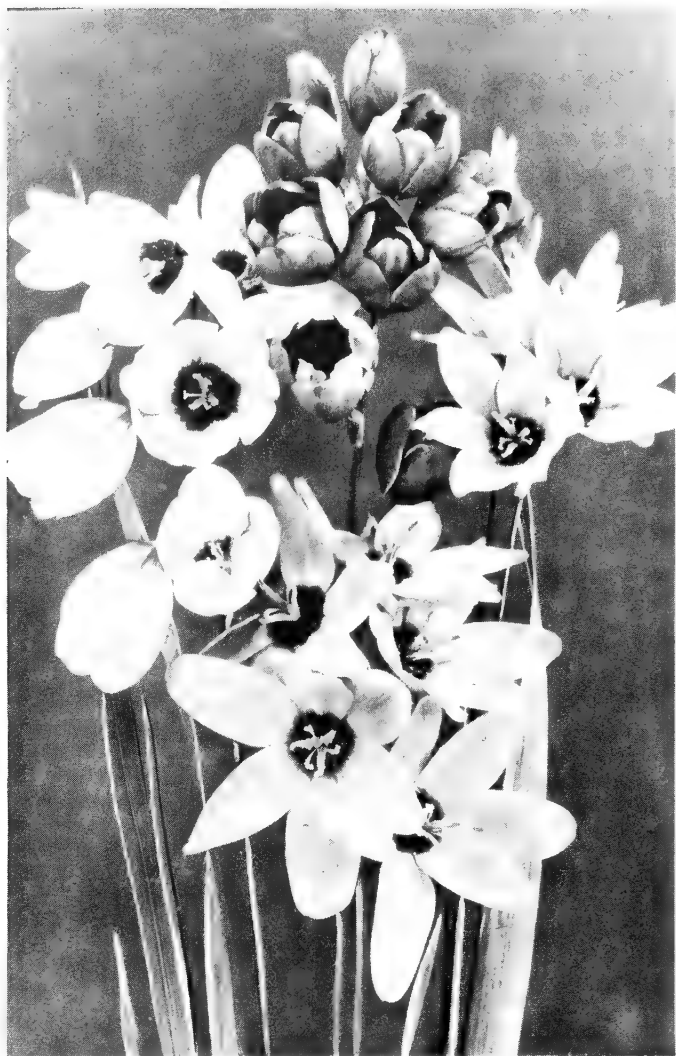

Tingitana, Wedgwood. Large flowers of clearest blue. \$20.00 per 100.

White Excelsior. Purest white. \$17.00 per 100.

Yellow Queen. Uniform golden yellow. \$15.00 per 100.

Helleborus Niger (Christmas Rose)

Ixias in variety

IXIA 3-5 A, B & C

(Corn Lily)

Fall Delivery

Attractive plant native of South Africa. Very fine for cut-flower production. Hardy anywhere in the South. In the conservatory they require very cool treatment. From the great many varieties available we have selected the following:

BLOEM ERF. This recent introduction from South Africa is different from the usual run of Ixias. The wiry stems are from 4 to 5 feet tall with a long flower raceme at the top, having from 20 to 40 open flowers. Smaller flowering stems are arranged below. Flowers vary from pure white to shades of pink overlaid with a bluish tone. Very fine for cutting. Extra selected bulbs, \$1.75 for 10; \$15.00 per 100.

SCHEEPER'S SUPERIOR MIXTURE. Containing all shades. Extra selected bulbs, \$1.25 for 10; \$10.00 per 100.

LACHENALIA 12-4 C

Fall Delivery

A small South African bulb producing flowers similar in shape to miniature Hyacinths. Very unusual and attractive. Best adapted for pot work. Of easy culture. In conservatories they require cool treatment.

AUREA. Golden Yellow with about 25 flowers to a stem, one of the best. Extra selected jumbo bulbs, \$3.25 for 10; \$30.00 per 100.

BLUE BEAUTY. A new blue variety that is very attractive. Fine foliage. Extra selected jumbo bulbs, \$3.25 for 10; \$30.00 per 100

PENDULA SUPERBA. Brilliant coral-red, tipped green and purple. Will flower nicely for Christmas. Extra selected jumbo bulbs. \$3.25 for 10; \$30.00 per 100.

(Smaller good flowering bulbs can be supplied at \$2.75 for 10; \$25.00 per 100.)

LEUCOCORYNE 2-5 B & C

(Glory of the Sun)

Fall Delivery

IXIODES ODORATA. A most beautiful novelty introduced by us several years ago. A native of Chile. The flowers are borne in umbels on a graceful stem, of a beautiful sky blue with a white starlike center. Very fragrant and flowers have unusual permanence, cut blooms lasting from two to three weeks. Received numerous gold medals both here and abroad. Very valuable as a cut flower. Requires Freesia culture, but should be planted in pots or boxes not less than six inches deep. Extra heavy, selected bulbs, \$18.00 per 100. Selected bulbs, \$15.00 per 100.

(Specially prepared bulbs that will flower one month earlier than the regular stock. Extra selected bulbs, \$20.00 per 100.)

LILIUM 1-2 A, B & C

Fall Delivery, Unless Otherwise Requested.

Retarded bulbs at proper time for planting for flowers at any desired time. Just advise us when flowers are required and we will ship accordingly. For complete list of Lilies consult our 1948 edition of "Beauty from Bulbs." The following especially recommended for forcing:

CANDIDUM SPECIOSUM. A form of Madonna Lily coming from Southern France. Hardy anywhere in the South, flowering in Florida from middle March on. This is the best variety of Madonna Lily for early forcing under glass. Extra selected stock, \$85.00 per 100; \$43.00 per 50; \$22.00 per 25. Smaller Good Flowering Bulbs, \$50.00 per 100; \$26.00 per 50; \$14.00 per 25.

Lachenalia Pendula Superba

Leucocoryne Ixioides Odorata

LONGIFLORUM TYPES

CROFT. Without a doubt one of the finest Easter lilies grown. Our special select strain has won many prizes at the important flower shows. The long white trumpet flowers are produced in abundance on strong stems. Through a special process of early curing and the proper cold storage methods we can supply bulbs for flowering from February through September. Extra selected bulbs, \$110.00 per 100; \$56.00 per 50; \$30.00 per 25. Strong Flowering Bulbs, \$90.00 per 100; \$46.00 per 50; \$25.00 per 25. Smaller good Flowering Bulbs, \$75.00 per 100; \$38.00 per 50; \$20.00 per 25. (A limited number of Specimen Bulbs available, \$1.50 each, \$35.00 per 25.)

CREOLE SCHEEPERS IMPROVED STRAIN. A special strain that is free from disease all grown under Government Inspection. Taller growing than the "Croft" can also be flowered early. Extra Selected Bulbs, \$125.00 per 100; \$63.00 per 50; \$32.00 per 25. Smaller Good Flowering Bulbs, \$75.00 per 100; \$38.00 per 50; \$20.00 per 25.

LILY PONS. This new Lily was exhibited for the first time at the International Flower Show. It is very outstanding and one of the features being its early flowering qualities, it will force easily in moderate temperature to flower in February and March and without too much difficulty it will flower any time from December until May. Six to twelve well placed blooms on strong stems, pure white. Extra Heavy Bulbs, \$175.00 per 100; \$88.00 per 50; \$45.00 per 25. Strong Flowering Bulbs, \$110.00 per 100; \$56.00 per 50; \$29.00 per 25.

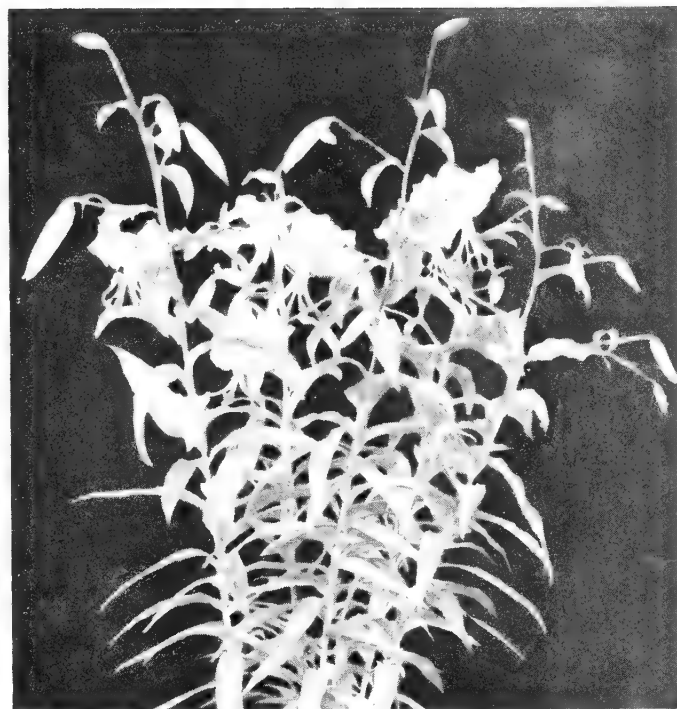

GIGANTEUM. (Japanese grown.) A lower growing form of Easter Lily. Where a short pot Lily is desired, this is the variety to use. Extra heavy, selected bulbs, \$95.00 per 100. Heavy, selected bulbs, \$85.00 per 100.

GIGANTEUM. Retarded. (Japanese grown.) Same as the above, but retarded in cold storage; we can ship to have in flower any time desired. Extra heavy, selected bulbs, \$97.00 per 100. Heavy, selected bulbs, \$88.00 per 100.

HARRISII. (The Bermuda Easter Lily.) The finest and largest flowered of all types of Easter Lilies. Our special strain.

Extra heavy, selected bulbs, \$100.00 per 50; \$50.00 per 25; \$25.00 per 12. Heavy, selected bulbs, \$88.00 per 50; \$44.00 per 25; \$22.00 per 12. Selected bulbs, \$50.00 per 50; \$26.00 per 25; \$13.00 per 12. (A limited number of Specimen bulbs \$3.00 each.)

HOWARDII. A new variety that is similar to Harrisii but blooming four weeks earlier. Flowers have fine texture and considered by some growers superior to Harrisii.

Lilium Speciosum Melpomene

Extra heavy, selected bulbs, \$100.00 per 50; \$50.00 per 25; \$25.00 per 12. Heavy, selected bulbs, \$88.00 per 50; \$44.00 per 25; \$22.00 per 12. Selected bulbs, \$50.00 per 50; \$26.00 per 25; \$13.00 per 12.

(A limited number of Specimen bulbs \$3.00 each.)

SPECIOSUM ALBUM. Retarded. (The white Speciosum Lily.) Can be had in flower at any time desired and bulbs will be shipped accordingly. Fine for conservatory or sub-tropical culture. Extra heavy, selected bulbs, \$125.00 per 100. Heavy, selected bulbs, \$110.00 per 100. Selected bulbs, \$95 per 100.

We have each year a few specimen bulbs available. **Very scarce.** \$1.25 each; \$10.00 for 10; \$97.50 per 100.

SPECIOSUM MAGNIFICUM OR MELPOMENE. Retarded. (The pink Speciosum Lily.) They can be shipped to be in flower at any time desired. Fine for sub-tropical culture. Extra heavy, selected bulbs, \$120.00 per 100. Heavy, selected bulbs, \$100.00 per 100. Selected bulbs, \$90.00 per 100. (Fine for Christmas Flowering.)

We have each year a few specimen bulbs available. **Very scarce.** \$1.25 each; \$10.00 for 10; \$97.50 per 100.

SULPHUREUM. Retarded. A magnificent Lily from Upper Burma, very amenable to cultivation. The trumpet-shaped flowers measure often nine inches long, creamy white with a flush-rose tinge on the outside, the interior is suffused rich yellow. By using retarded bulbs it can be had in flower from September until May. Very fine for pot culture. Extra heavy, selected bulbs, \$35.00 for 10; \$325.00

TIGRINUM SPLENDENS. Retarded. The finest form of the Tiger Lily, retarded in cold storage. Suitable for culture anywhere. One of the Lilies most suitable for sub-tropical culture. Extra heavy, selected bulbs, \$85.00 per 100. Heavy, selected bulbs, \$75.00 per 100. Selected bulbs, \$65.00 per 100.

LILY-OF-THE-VALLEY 1-12 A. B & C

Delivery at Any Time

Scheepers' Excellenta Strain. We offer the finest strain available anywhere. Our "Excellenta" strain has won highest honors wherever exhibited. It has never been beaten. These can be shipped to be had in flower at any time. This high quality strain is very scarce this year. 100 pips, \$20.00. Case of 250 pips, \$48.00.

LYCORIS 8-10 A, B & C

AUREA. A most beautiful bulbous subject flowering in September, October before the leaves appear. Very interesting for conservatory work in the North, or outdoor planting from the Carolinas southward. The flowers are funnel-shaped, of clear yellow and very similar to an amaryllis in appearance. We have a very fine stock of this beautiful subject which we can offer at \$1.50 each; \$12.50 for 10.

RADIATA. Bright red, funnel-shaped flowers with waxy segments, somewhat like nerines; of a bright red and carried on stems twelve to eighteen inches in length. Requires almost the same treatment as for nerines. \$2.75 for 10; \$25.00 per 100.

SQUAMIGERA. Also known as Amaryllis Halli. Hardy anywhere. Large, rosy lilac flowers carried on stems three feet in height and flowering during late August. Foliage appears in early spring and dies down in early summer, after which the flower spikes appear. Very fine for naturalizing, as it can be left undisturbed for many years. Each, \$1.50; \$12.50 for 10; \$110.00 per 100.

MILLA 7-9 B & C

Early Spring Delivery

BIFLORA. A new introduction from Mexico where it is known as "Estrellitas" or "Little Stars." Showy white flowers, opening out flat, waxy in texture, about two inches in diameter, with six petals, not completely separated. A faint stripe of soft apple-green runs from tip to base on the outside of each petal. The stems are wiry, from twelve to eighteen inches in length and bearing from two to seven flowers each. Very free-flowering. Flowers cut well and have a very pleasant, lily-like fragrance. For northern planting, the bulbs should be lifted in late fall and stored in a root cellar over winter. \$2.00 for 10; \$17.50 per 100.

MORÆA 2-4 C

Fall Delivery

An interesting group of bulbous plants that are natives of South Africa, many being new to cultivation. They are useful for cutting or in southern sections for the rockery and perennial garden. They show a wide range of colors and vary in height from six inches to three feet. They should receive the same culture as freesias.

Nerine, English Hybrids

Moraea Glaukopis (syn. Pavonia)

GLAUCOPIS. Also known as Iris Pavonia, and often called the Peacock Iris. Flowers are white or light blue with peacock eye at base of outer segments. Stems ten to fifteen inches tall. Excellent for cutting and forcing. \$1.75 for 10; \$15.00 per 100.

POLYSTACHYA. A new introduction. Slender plant, eighteen to twenty-four inches tall with many wiry branches. Well covered with flowers looking like a close group of butterflies from a distance. The outer segments of the flowers are light mauve, pencilled with parma-violet, with a bright yellow spot at the base, inner segments light mauve with very little pencilling. It will commence flowering six weeks after planting and will continue to flower for three months. \$1.75 for 10; \$15.00 per 100.

NARCISSI (French) 11-3 B & C

Early Fall Delivery

These varieties are commonly grown in Southern France and the Channel Islands. Especially adapted for southern culture or for early forcing in conservatories.

CAMPERNELLE. Single. The single, sweet-scented yellow Jonquil. A fine cut flower. Extra heavy bulbs, \$15.00 per 100.

Gloriosa. A bunch-flowered Narcissus similar to Narcissus Paperwhite, with creamy perianth. Extra heavy bulbs, \$15.00 per 100.

Grand Soleil d'Or. The Paperyellow. Our strain is the finest available from Southern France. Not to be compared with the strain originally emanating from the Isle of Guernsey. California-grown bulbs, largest, \$15.00 per 100.

Paperwhite Grandiflora. The true "Superflora" strain. The largest flowering Paperwhite. Our strain is the finest from Southern France. Uniform and select. Southern California-grown bulbs, largest, \$15.00 per 100.

Chinese Sacred "Lily." A strain of bunch-flowered Narcissi very similar to Narcissus gloriosa. Extra selected bulbs, \$15.00 per 100.

NARCISSI (American) FORCING A & B

Early Fall Delivery

The following list of varieties are recommended for forcing. Our prices are based on the supply of the finest selected Double Nosed Bulbs. We do not recommend any other quality for this important purpose.

(For complete list of Narcissi, see our fall edition of "Beauty from Bulbs.")

NARCISSI (American)—Prepared A & B

Through a special preparatory process we can offer bulbs of the varieties listed herein, artificially ripened. These will flower three weeks in advance of the regular bulbs, and are, therefore, invaluable for earliest forcing and to follow the so-called "French" Narcissi. We offer the following varieties that have proven most satisfactory:

KING ALFRED. The best yellow trumpet. May be had in flower before Christmas. Extra heavy, prepared bulbs, \$27.00 per 100.

LAURENS KOSTER. Poetaz. White perianth with yellow eye. Especially prepared for January flowering. Extra heavy, prepared bulbs, \$17.00 per 100.

MRS. E. H. KRELAGE. One of the finest white trumpet Narcissi. Produces large, erect flowers of great substance. Extra heavy, prepared bulbs, \$27.00 per 100.

SIR WATKIN. Incomparabilis. Bold, handsome flower, yellow cup, tinged bright orange. \$17.00 per 100.

SPRING GLORY. Bicolor trumpet. Specially prepared for January flowering. Extra heavy, prepared bulbs, \$27.00 per 100.

NERINE 9-11 C

Summer Delivery

BOWDENI. Large flowers of pink with rose colored line down each petal. Seven to ten blooms in an umbel on 12 to 15 inch stems. Leaves are bright green and very attractive. Delivery is made in late winter and blooms are produced in early fall. *Each, \$1.25; \$11.50 per 10.*

FILIFOLIA. An evergreen Nerine, free-blooming and of a charming shade of clear pink. Its foliage, as its name implies, is threadlike and a delicate green. It flowers, like other amaryllis, after watering. A fine subject for either pot culture or outdoor planting in the South. Strong bulbs, \$1.45 for 10; \$12.50 per 100.

FOTHERGILLI MAJOR. A magnificent plant bearing intense scarlet flowers. We have a special lot of these bulbs available already established in 6 inch pots, four bulbs planted in each pot. \$5.00 per pot; \$47.50 per 10 pots.

HYBRIDS OF ENGLISH ORIGIN IN NAMED VARIETIES

From the finest European collection. They have been awarded the highest honors wherever exhibited. *Prices and descriptions for special collections are invited.*

ORNITHOGALUM 2-4 B & C

Late Fall Delivery

AUREUM (The golden yellow African Chinchinchee). A most attractive novelty, pure golden yellow, carried in the form of an umbel on strong stems. The lasting quality of the flower is sensational. It is easily grown in a greenhouse or conservatory if given the same conditions as are required for the culture of freesias. Plant three bulbs in a six-inch pot and grow in full sun. A growing temperature of 55 degrees is sufficient. This may later be increased to sixty degrees towards their flowering time. Extra strong, selected bulbs, \$50.00 per 100.

ARABICUM. Umbels of large white flowers with black base, which are produced on a strong spike. \$12.00 per 100.

OXALIS 1-4 B & C

Early Fall Delivery

These South African, tropical and sub-tropical American plants are greenhouse favorites. Abundant clover-like leaves are produced with many flowers sent up from the bulb similar to violets. They are especially valuable for hanging baskets and as window plants. Easily grown, clean, healthy and they continue a long time in bloom.

BOWIEI. Fine rose-pink. \$6.00 per 100.

GRAND DUCHESS. Dainty lavender. \$6.50 per 100.

WHITE GRAND DUCHESS. Pure white. \$7.50 per 100.

PANSY SEED

SCHEEPERS' WINTER-FLOWERING GIANTS. These giant ruffled varieties have flowers that average 4½ inches in diameter and they have a very sweet fragrance. Flowers are held erect on strong stiff stems. Must be grown cool for perfection. Exquisite mixture of colors. \$3.00 per packet.

RANUNCULUS 2-5 B & C

(The Turban Type)

Fall Delivery

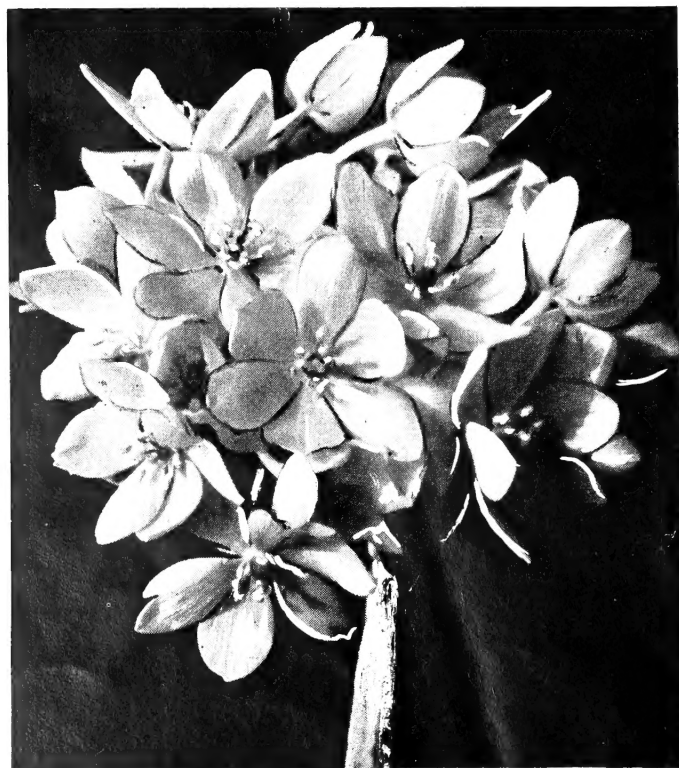

Ranunculus can be grown anywhere in the South. Excellent for forcing.

SCHEEPERS' SUPREME STRAIN. During the flowering season our growers have made a careful survey of the fields and marked those varieties that are of exceptional merit. We feel confident, therefore, in offering them as the finest kinds available. Golden yellow shades, pink shades, orange shades, red shades and white. Extra selected jumbo bulbs, \$18.00 per 100.

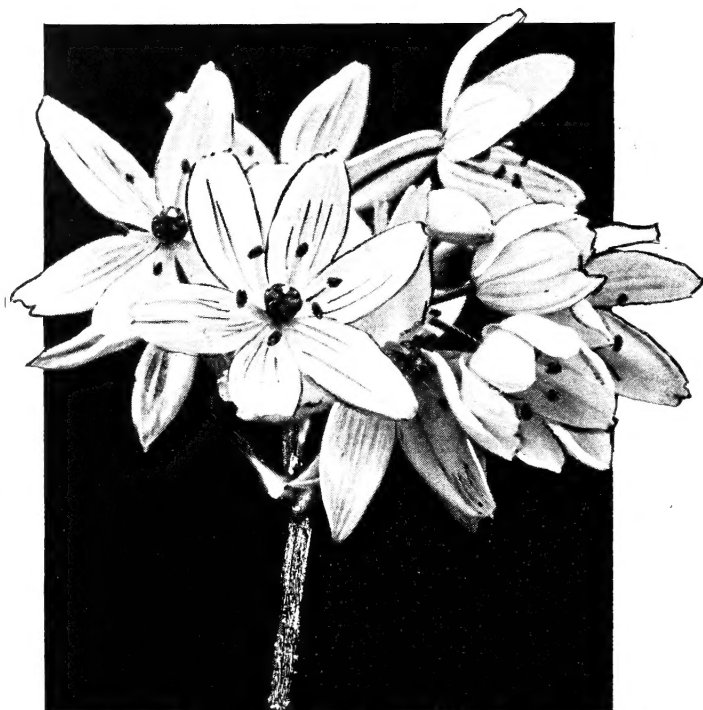

GIANT GOLD. Giant double and semi-double flowers of golden yellow. \$12.50 per 100.

GIANT ORANGE. Giant double and semi-double flowers of orange shades. \$12.50 per 100.

GIANT PINK. Giant double and semi-double flowers of pink shades. \$12.50 per 100.

Ornithogalum Aureum

Ornithogalum Arabicum

GIANT RED. A giant, peony-flowered variety. Colors run from light red to deep scarlet. \$12.50 per 100.

GIANT WHITE. Large double and semi-double white flowers. \$12.50 per 100.

GIANT YELLOW. A large, peony-flowered strain. Flowers are very double and large semi-double. Colors running from straw through the entire range of yellow. \$12.50 per 100.

GIANT MIXED. A fine strain of semi-double and double large flowers, including every color seen in Ranunculus. \$11.00 per 100.

SPARAXIS 2-4 C

(African Harlequin Flower)

Fall Delivery

Beautiful flowers borne on graceful spikes with colors of the brightest shadings. It is of compact growth, a gem for pot culture or for rock gardens in the South. Hardy and suitable for culture anywhere from Washington and points south. The culture is the same as for Ixias.

HYBRIDS. Giant flowers on graceful spikes twelve to fifteen inches tall. Brilliant shades of orange, salmon, scarlet, yellow, cream, crimson, pink, and lavender. Large flowers, many 3 inches in diameter. \$8.00 per 100.

SPIRÆA 1-12 A, B & C

(Astilbe)

Delivery at Any Time

We supply these in extra heavy exhibition clumps, retarded in cold storage, so they may be flowered at any time. They make an ideal pot plant. Our Spiraeas have won highest honors at all the principal Eastern flower shows. They have never been beaten.

AVALANCHE. Fine pure white.

GLORIA SUPERBA. Undoubtedly the finest bright pink.

PEACH BLOSSOM. Light Rose.

WHITE GLORIA. Considered the best white.

Packed in cases of 10 heaviest clumps, \$12.00 per case. Fresh stock, ready for delivery in early December, \$8.00 per case of 10 heaviest clumps.

Spirea

TRITONIA 2-4 C

Fall Delivery

Flowers resembling Montbretias. Very fine for pot work or outdoor planting in southern sections.

CROCATA HYBRIDS. Beautiful mixture of Salmon, Orange and Pink shades.

CROCATA, PINK PRINCESS. Beautiful clear pink.

CROCATA, PRINCE OF ORANGE. Flaming orange.

CROCATA, SALMON KING. Soft salmon-orange.

Extra selected bulbs, \$8.00 per 100.

TUBEROSE 1-12 A, B & C

We originated the method for retarding bulbs of this garden and cut flower favorite, and we can now supply bulbs to be in flower at any time desired. Fine for outdoor planting in the sub-tropical sections or for conservatory work.

DOUBLE EXCELSIOR. The best form of double Tuberose. Extra selected, heaviest bulbs, \$17.50 per 100. Special stock, only limited quantity available, \$19.50 per 100.

TULIPA CLUSIANA 2-4 A, B & C

Fall Delivery

This beautiful species, sometimes called the Lady Tulip, is a pure white with pink stripes, giving it the appearance of an old-fashioned peppermint candy stick. Fine for pot work. Suitable for culture anywhere in the South and excellent for forcing. Extra selected bulbs. \$10.00 per 100.

Due to world conditions we are compelled to state that our prices on imported bulbs are subject to change. Should this be necessary, proper notification will be sent out early in the season.

PREPARED TULIPS FOR EARLY FORCING

Through a special pre-cooling method, Tulips may now be had in flower as early as Christmas and during January. Reservations must be made by Aug. 15th.

The following varieties are recommended:

COTTAGE TULIPS

Albino. Pure white. \$15.00 per 100.

DARWIN TULIPS

Princess Elizabeth. Lilac-rose, edged rose. \$12.50 per 100.

Rose Copeland. Deep rose. \$12.50 per 100.

William Copeland. Lilac-rose. \$12.50 per 100.

William Pitt. Glowing scarlet. \$12.50 per 100.

TRIUMPH TULIPS

Alberio. Deep cherry-red. \$12.50 per 100.

Aviateur. Carmine-red, bordered white. \$15.00 per 100.

Corniflorus. Deep red, flushed crimson. \$15.00 per 100.

Telescopium. Lavender-rose. \$12.50 per 100.

Ranunculus

VELTHEIMIA VIRIDIFOLIA 1-3 B & C

Fall Delivery

A Cape bulb, having from forty to sixty reddish, tubular flowers one and one-half inches long, hanging closely from the tip of a stem fifteen to eighteen inches tall. The fine foliage, with bright green, showy leaves nine to twelve inches long with wavy edges, forms a rosette from which the flower spike rises. An ideal pot plant. Extra selected Jumbo bulbs, \$8.75 for 10; \$85.00 per 100.

WATSONIA 3-5 C

Fall Delivery

A beautiful flower from South Africa, doing very well in sub-tropical zones. Plants grow from three to five feet in height, and produce great spikes of large flowers very fine for cutting purposes. Similar in habit and growth to the Gladiolus. We have a very fine collection of named varieties available.

BULLARD'S WHITE. Fine pure white.

DAZZLER. Orange-scarlet.

PINK BEAUTY. Soft clear pink.

SALMON GIANT. Bright clear salmon.

SUPERB MIXTURE. All colors.

Extra selected bulbs, \$12.00 per 100.

GRASS SEED

SCHEEPERS' SUPERIOR. A well balanced mixture that will guarantee a good lawn. \$110.00 per 100 lbs.; \$56.00 per 50 lbs.; \$29.00 per 25 lbs.

SCHEEPERS' SUPERFINE. A good mixture for permanent effect. \$95.00 per 100 lbs.; \$48.00 per 50 lbs.; \$25.00 per 25 lbs.

SCHEEPERS' SUPERIOR SHADY. A well balanced mixture for shady places. \$110.00 per 100 lbs.; \$56.00 per 50 lbs.; \$29.00 per 25 lbs.

Tuberose, Double Excelsior

Veltheimia Viridifolia

GREENHOUSE PLANTS

From most reliable sources we can furnish a fine selection of plants for holiday and winter forcing. We shall be pleased to quote on the following plants:

AZALEA. Indica, Kurume, Hinodegiri, Kaempferi, Kaempferi Hybrids, and other forcing types.

GERBERA Jamesoni in separate colors.

HYDRANGEAS. Pot-grown, in best varieties.

ROSES.
